NOTICE.

THE Firm Old Onenhor, sellers of Gold leaf, was established in Sew-see Street, of the City of Canton, for a great many years; heir Gold leaf, bas, and ornaments are warranted to be pure, and can be returned to them if they are not pure; and this is well-known to Poreign Merchants for many years. This firm hitherto had no branch in any place. But in order to facilitate the community of Hongkong, they have recently established a branch in Bonham Strand. It having come under their notice, that there are evit disposed persons in Hongkong, Macao, and Fuh-shan who sell inferior Gold with the cop of Oldo On-shine on it, and sometimes mixed with some genuine leaf so as to cheat people. In this way these persons try to cheat the merchants, and also injure the unsiness of Oldo On-shino. Determined to put a stop to this, the Shop Oldo Onshino will pay (\$10) Ten Dollars reward to any person who will give information about the forgers of their chop, or bring all the tools of the forgers, and give information so as to enable Old On-shind to cause these imposters to be averated and punished.
